Champion!](#)

WHAT DOES IT INVOLVE?

- Delivering workshops, webinars or other educational programming about co-ops in your local learning context.
- Facilitating connections with local learning centers to help us deepen co-op educational partnerships across the country and reach more learners.
- Helping to co-design shared teaching resources with BCCA, ACCA and other co-op champions.
- Optional participation in bi-monthly network discussions to share knowledge and support.

WHAT SUPPORT DO WE PROVIDE?

- Presentation and activity templates
- Tips and training for program delivery
- Ongoing support to adapt and deliver educational programming
- A network of knowledgeable folks from across the co-op sector and academia
